

## JUNE 2022 EDITION

**FROM THE PRESIDENT**

May was yet another busy month at the Weld Club, with a number of standout events including the annual Mother's Day brunch on May 8 and the James Bond themed dinner on May 12. In addition to this a number of interest group outings including the Walking Group and the Motoring Enthusiasts Group meant there was plenty to keep Club Members occupied during the month.

Last Friday evening I had the pleasure of attending one of the highlights of the Weld Club social calendar, the annual Father's and Daughter's Dinner. This is the perfect opportunity for Members to spend an evening at the Club with their daughters, daughters-in-law, grand-daughters and God-daughters. I would like to record a special thank you to Steve Carre for proposing the toast to the daughters and to his daughter Eliza for her thoughtful response.

An important part of Club life is the interest groups and the fellowship they create amongst Members. There are number of well-established groups at the Club that provide Members with a particular interest to share their passion for it with others. These include the Billiards Group, Book Group, Bridge Players and Classical Music Groups together with more recently established interest groups such as the Motoring Group, Club Choir and the Walking Group. Such is the success of these interest groups the House Sub-Committee is keen to establish several more, starting with a Chess Group. I invite any Member with a strong interest in the game of chess who is willing to introduce their passion to other Members to contact either myself or the Secretary to discuss the opportunity to start a Chess Group in the second half of the year.

At last month's Committee Meeting, unusually and for the first time in several years, there were no new membership nominations to consider at the meeting. You will recall my predecessor, John Prevost, wrote to each Member on the topic of membership during his Presidency and now that we emerge from the disruption to our lives that COVID has brought over the past two and a half years I remind all Members to look among their friendship circles to see if there is someone who may enjoy all the benefits that membership of the Club brings with it. More than ever the Club continues to provide a place of safe and trusted social interaction. I am always available to any Member to talk through in confidence the steps required to bring forward a membership nomination and if the scheduled times of the Procedures Meetings are not convenient, happy to discuss a mutually agreeable time to meet. Members are always welcome to contact me via my direct email address [president@weldclub.org.au](mailto:president@weldclub.org.au) or through the Secretary, Hugh Stowell.

*Mike Best*

**FROM THE SECRETARY**

"Say Cheese". News that should bring a smile to Members' faces is the announcement in this newsletter that a selection of cheeses and salads on the sideboard will return on Thursdays and Fridays in the Members' Dining Room after the long weekend, commencing Thursday 9 June. A number of Members have approached me about the great enjoyment of selecting cheese and fruit from the sideboard and now that arrangements at the Club are returning to "pre-COVID" I am delighted that Chef is able to reintroduce this long standing tradition in the Dining Room. When there is evidence of sufficient return of patronage of the Dining Room on the earlier days in the week, the cheese and salad table will be made available Monday to Friday.

One of the quiet achievers on the staff is the housekeeper, Helen Agathangelou, who recently celebrated her 15th anniversary of service at the Club. Helen works tirelessly, servicing the bedrooms and public rooms of the Club House while also ensuring those Members enjoying the billiard room never go hungry or thirsty. I invite Members when they see Helen in the hallways to acknowledge her and her contribution towards the amenity of the Club.

*Hugh Stowell*

## **PUBLIC HOLIDAY REMINDER WESTERN AUSTRALIA DAY MONDAY 6 JUNE 2022**

## **RETURN OF THE CHEESE & SALAD TABLE MEMBERS' DINING ROOM FROM THURSDAY 9 JUNE 2022**

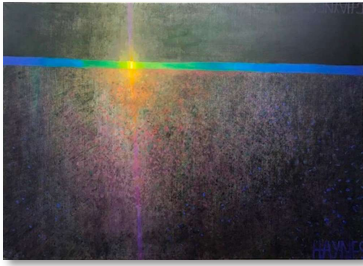

The Chef is pleased to announce that cheese and fruit will be reinstated in the Members Dining Room on the sideboard after the long weekend on Thursday 9 June and will then be available for the enjoyment of Members and their guests during each lunch service on Thursdays and Fridays. This is all part of steps being taken to return to some of the traditions enjoyed at lunch that had to be removed because of COVID protocols and restrictions.

At the same time a selection of salads will return on Thursdays and Fridays for Members to enjoy as an accompaniment to their main course or as a light lunch alternative. When patronage of the Dining Room returns to normal levels on the remaining days of the week it is intended to reinstate these arrangements on those days as well.

## **2022 MEMBERSHIP BOOK COLLECTION REMINDER**

Members are reminded that the 2022 Edition of the Membership Handbook featuring a current List of Members and the Club's By-Laws is available for collection from the Club House. To maintain the confidentiality of the Membership Book, Members are invited to collect their copy in person from the Membership Manager's Office between the hours of 9.00 am to 5.00 pm, Monday thru Friday, excluding public holidays. Pursuant to By-Law 18 on Privacy and Confidentiality, Members will be asked by the Membership Manager to sign for their copy of the handbook. Collection of handbook from the Membership Manager's Office also provides an opportunity to vote in the Ballot announced in this month's Membership Report.

## **PAINTINGS ON LOAN FROM JANET HOLMES À COURT COLLECTION**

Following last year's exhibition, *Art and Images Across Three Centuries*, two paintings from the Janet Holmes à Court Collection by mother and daughter artists Dorothy Robinson Napangardi and Julie Robinson, remained on loan in the Members Dining Room. These paintings have been recently returned as they were required for another exhibition.

Fortunately, however, two paintings by George Haynes from the Collection have now been loaned to the Club. Haynes is one of the best known current Western Australian artists and he has a national following. He makes a sophisticated use of colour and light to produce dramatic images. This technique is apparent in the two loan paintings, *On the Horizon* and *In Principio 1*, both depicting moonlit night skies.

The paintings are situated in the Members Dining Room and the Club expresses its appreciation to Janet Holmes à Court for the opportunity to display the paintings.

*Chris Humphry – Chairman, Art Sub-Committee*

### **CLASSIC CAR & MOTORING GROUP TABLE LUNCH WEDNESDAY 8 JUNE 2022**

Thank you to those Members of the Motoring Enthusiasts' Group who supported the Gingin British car day event. We were blessed with near perfect weather and a great day viewing a variety of British motoring marques. This month I am proposing that those Members of the Motoring Enthusiasts' group, who are interested, join together for luncheon in the Members' Dining Room on Wednesday 8<sup>th</sup> June where we can discuss informally matters automotive. Come and join fellow Members and perhaps share, what is your dream car?, what was the first car you owned? I propose that we all meet in the Members Bar at 12.15 pm, prior to taking our seats for luncheon at 12.45 pm.

## **WA HISTORY INTEREST GROUP FORUM - NOTE NEW TOPIC HMS HOOD: THE BRITISH BATTLECRUISER GUEST SPEAKER: CLUB MEMBER NIGEL ROGERS MONDAY 27 JUNE 2022**

We would like to inform Members that Mr Boyd Peters who was going to speak about the History of the First Pipe Organ in Western Australia has to defer his address due to commitments overseas. However, we are pleased to advise that Members and guests are invited to subscribe to an address by Club Member, Nigel Rogers, on the HMS Hood: The British Battlecruiser which visited Fremantle and Albany 98 years ago during 1924 at a WA History Lunch on Monday 27 June 2022.

The presentation by Nigel Rogers will cover the entire history of HMS Hood from its construction through to its eventual loss at the Battle of the Denmark Strait in May 1941. The 1924 'Empire Cruise' of HMS Hood will also be covered in detail, which included port visits to all major Australian cities, including Fremantle in February 1924, ninety-eight years ago.

"It was eighty-one years ago, that the British Battlecruiser HMS Hood and the German Battleship Bismarck fought what was, arguably, one of the most famous surface engagements of the Second World War. In an instant on the morning of May 24th 1941, the Royal Navy lost the symbolic flagship of its fleet and 1,415 crew who were on board, with only three survivors. The Battleship Bismarck, which would have otherwise had an interesting but unremarkable history, was transformed into one of the most well-known ships of the war. In much the same way that the loss of the Hindenburg brought a spectacular end to the era of the airship as a credible flying machine, the loss of the Hood marked the end of the Battlecruiser as a credible fighting machine." - William J Jurens - International Naval Research Organisation.

The address will commence at 12 noon (sharp) in The Verandah Room and after question time a two-course lunch will following the Members' Dining Room. Dress is jacket and tie. Subscriptions can be made on the subscription form, or with the Events Manager, Emma Madigan in an email to [events@weldclub.org.au](mailto:events@weldclub.org.au) or via the Club's website [www.weldclub.org.au](http://www.weldclub.org.au)

# ART GALLERY OF WESTERN AUSTRALIA ROOF TOP PRIVATE TOUR WITH THE GALLERY DIRECTOR WEDNESDAY 29 JUNE 2022

Members will recall the tour to the Art Gallery of WA had to be postponed due to COVID restrictions. We are now pleased to inform Members and their partners that the Club has been able to reschedule this event for Wednesday 29 June. The evening will commence with a private tour of the recently opened rooftop of the Art Gallery of Western Australia hosted by the Gallery's new Director, Colin Walker. A dinner at the Club House will follow the tour during which the Director will speak about his vision for the Art Gallery in the years ahead.

In November last year the rooftop of the Gallery was officially opened and recognises the completion of the original architectural intention for the 1979 design building, which was imagined by architect Charles Sierakowski as a vantage point for looking out. The new rooftop area includes an interior gallery, an outdoor sculpture walk, a bar and a 34 metre contemporary Aboriginal art piece by Christopher Pease.

The Director, Colin Walker, is originally from Liverpool and took over the directorship of AGWA in 2019, initially in an acting capacity and very recently in an official capacity. Prior to this Colin Walker held senior roles in the Department of Local Government, Sport and Cultural Industries. During his address at dinner he will share his vision to use the Gallery's full range of assets to make it fully sustainable, including having a strong music and performing arts program.

The evening will commence with Members and their partners assembling at the Club House for a short coach transfer to the Gallery at 5.30 pm. After a welcome by the Director of the Gallery a tour of the new rooftop will ensue with drinks service throughout. Following the return journey to the Club House, a two course dinner will be served in the Dining Room during which the Director will give his address.

This event is open to Members and their partners and the dress is jacket and tie. It is anticipated a charge of \$130.00 per person will apply, including coach transfers, drinks at the Gallery and a two-course dinner including wine. Subscriptions can be made on the subscription form enclosed, or with the Events Manager, Emma Madigan, via an email to [events@weldclub.org.au](mailto:events@weldclub.org.au)
